

**Remarks**

The notice of non-compliant amendment states that a complete listing of claims is not present and that claim 24 does not have a proper status identifier. Claim 24 has now been indicated as "currently amended". The listing of claims is now compliant with 37 CFR 1.121.

Claims 1, 2 and 24 are amended herewith. Claim 3 is cancelled. Claims 24 and 25 were previously amended. Therefore, claims 1, 2, and 4-25 are currently pending.

Only the corrected section of the non-compliant amendment is required in response to the Notice. Since the whole corrected section is required, amendments to the other claims submitted in the July 7, 2011 amendments are shown in marked-up format.

The Examiner is requested to consider this new set of amended claims along with the remarks, 132 Declaration, IDS and other documents that were enclosed with the July 7, 2011 response.

In view of the foregoing, reconsideration of the rejections and objections of the claim is respectfully requested. It is believed that the claim is allowable over the prior art, and a Notice of Allowance is earnestly solicited.

In the event that there are any questions concerning this amendment or the application in general, the Examiner is respectfully urged to telephone the undersigned so that prosecution of this application may be expedited.

No fees are believed to be required by the present response. However, should this be an error, authorization is hereby given to charge deposit account 19-5113 for any underpayment or to credit any overpayment.

Respectfully submitted,
